The Club will be a recreational club, primarily for the use and benefit of the members and their guests. The Club grounds & clubhouse facilities will be opened to the public for charitable and other activities & uses strictly at the discretion of Management.

The Club reserves the right to designate persons to use any or all of the Club facilities, including the Road Courses, for any purpose and upon such terms and conditions as are established from time to time by the Club. The persons designated to use the Club facilities may include, without limitation, persons who are employees of the Club, persons who are prospective members of the Club, persons who are involved in special events at the Club and other persons permitted by the Management from time to time.

In-season maintenance and Club authorized private or special events may occasionally preclude membership access to, or use of the facilities. All known dates affecting membership access will be posted at the outset of each season's operating calendar and/or as far in advance as reasonably possible.

MEMBERSHIP INITIATION FEES & DUES

Membership initiation fees & dues represent the primary source of Club revenues and are defined as follows:

Initiation Fee: The initiation fee is a one-time non-refundable fee a membership candidate remits to join the Club.

Annual Dues: Payable semi-annually in advance, member dues will be adjusted each year to reflect the Club's cost of maintenance and operations. Annual dues will be fixed for the first two seasons of the Club's operations.

General Membership for Individuals: See the attached Drivers Club Membership Benefits. General members who are not already members of the VIR Club may not join the VIR Club to solely take advantage of the Trans Club Agreement. If in question, please ask. Sister Club Members may drive the same number of driving days at the Sister Club, as they drive at their home base club. Guest fee applies. As an example, if you are a VIR member and you drive 10 days at VIR you can then drive 10 days at New Jersey Motorsports Park, and vice versa.

The Drivers Club at New Jersey Motorsports Park™ has established that initiation fees, dues and membership deposits as of July 1, 2008 will be as follows:

General Membership:

Membership Initiation Fee: \$15,000.

Membership Annual Dues: \$2,400.

*Please Note: The above fee schedule is subject to change at the discretion of management and excludes all applicable sales tax. The fees stated at the time of management receipt of the reservation deposit will be honored with annual dues fixed for the first two (2) years of club operations.
