

Media Credential Policy & Application Guidelines

Thank you for your interest in covering an event at New Jersey Motorsports Park. Please read the following prior to completing our online credential request form.

- 1) Media credentials at New Jersey Motorsports Park are issued **ONLY** to recognized newspapers, news/wire services, motorsports publications, local and national TV/radio networks, and other print or internet publications that regularly cover motorsports.
- 3) New Jersey Motorsports Park can no longer issue credentials to **unaffiliated** (freelance) journalists or photographers.
- 4) New Jersey Motorsports Park reserves the right to approve or deny credential requests, as well as limit the number of granted credentials per organization. Please include sample clippings of previous NJMP or motorsports-related stories with your application to prove affiliation. Photographers should provide samples of relevant published work.
- 5) All requests must be received no later than **two weeks prior** to the start of the event. Applications not received by the deadline risk not being processed, not being filled as requested, or the request being denied.
- 6) Access to the NJMP Media Center is limited to deadline media, wire services, and race series representatives **only**. A request for deadline media/photo access does not equate to a pass.
- 7) Credentials are non-transferrable and may only be used by the person to whom they were issued. Pick-up details will be included in Credential Confirmation e-mail.

Thank you for abiding by NJMP's policies, as well as for your understanding that media credentials are limited and will only be issued to official media outlets providing timely coverage of events. It's our goal to make your visit to NJMP pleasant and productive. Please contact Chris Banker, Manager of Communications, with any questions related to the credentialing process: (856) 327-7208
